Stella's Wish Foundation

We GRANT Wishes for adults 18 and older with stage four cancer. Stella died in 2007 with colon cancer, and her wish was to go to Disney World. During this time there was no charity that helped adults with cancer, so a 16-year-old girl in our church raised the money for us to go to Disney World. Stella's Wish started in 2008 in memory of her. We have GRANTED 365 wishes, awesome!
